TRADING STATEMENT

In terms of the JSE Listings Requirements, a listed company is required to publish a trading statement as soon as it becomes reasonably certain that the headline earnings per share (“HEPS”) and/or earnings per share (“EPS”) for the next period to be reported on will differ by 20% or more from the financial results for the previous corresponding period.

In terms of the BSE Listings Requirements, a listed company is required to publish a cautionary announcement as soon as it becomes reasonably certain that the HEPS and/or EPS for the next period to be reported on will differ by at least 10% from the financial results for the previous corresponding period. Shareholders on the Botswana share register should thus exercise caution when trading in the Company’s securities.

The Company hereby advises that a reasonable degree of certainty exists that for the year ended 31 December 2025:

- EPS will be between 140.85 South African cents (“cents”) and 147.19 cents, representing an increase of between 11% and 16% compared to the EPS of 126.89 cents reported for the year ended 31 December 2024; and
- HEPS will be between 141.12 cents and 147.25 cents, representing an increase of between 15% and 20% compared to the HEPS of 122.71 cents reported for the year ended 31 December 2024.

HEPS increased due to improved gross margins from operational efficiencies, effective cost containment and increased associate income from the Tradco Group, acquired during the year under review.

The financial information on which this trading statement is based has not been reviewed or reported on by the auditor of the Company. The results for the year ended 31 December 2025 are expected to be published on or about 26 March 2026.

The Company has a dual primary listing on the JSE and the BSE.
